RE: Confirmed case of COVID-19 at St. Kevin Church, Flushing.

Dear Parishioners of St. Kevin Church,

I hope this letter finds you safe, well and healthy! We are experiencing together a pandemic that no one could have ever imagined that we would face in our lives. However, as a family of believers and of faith, we will persevere and see the brighter days!

Unfortunately I need to advise you all that one of our parishioners has tested positive for the COVID-19 virus. She is a member of our adult choir who was in attendance at our 12:00PM Mass on Sunday, March 15, 2020. While she was at Mass, she was positioned, as they normally are, in the choir loft. Our choir members, staff and our clergy have been asked to self-isolate and to adhere to the directives of the Centers for Disease Control (CDC). Please know, I am in the process of hiring a professional cleaning company to clean both our Church and rectory.

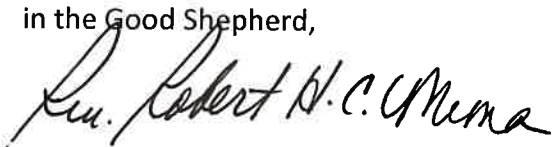

I have been in contact with our parishioner and she is doing well. Please keep her and her family in prayer.

I pray and hope that we do not have any additional confirmed cases here at St. Kevin Church. Let us together place our trust in the Lord and His Holy Mother!

Know of my continued prayers and love for each one of you! If you are in need to speak with me, PLEASE do not hesitate to contact the rectory. Also know that out of an abundance of caution, Bishop Nicholas DiMarzio has mandated that all churches and rectories remain closed in order to secure the health of our staffs and parishioners. If it is an emergency please contact the rectory and dial extension 3.

I remain,

in the Good Shepherd,

Reverend Robert H.C. Mema
Administrator
